

Certificate of Attendance

This is to certify that

Mr. Kabir Bakhshaei

has attended the

ECCOMAS 2024

9th European Congress on Computational Methods in Applied Sciences and Engineering

3-7 June, 2024, Lisbon, Portugal

and presented the following contribution:

Integrating Transformers with Data Assimilation for Efficient Time Series Prediction in Inverse Heat Conduction Problems

On behalf of the chairs of the congress

José César de Sá
Chairman of the Congress
